DOCKET NO. CE02070430

Schenck, Price, Smith & King, Morristown, New Jersey, by James Eric Andrews, Esq., for the Petitioner.

Town Clerk, Town of Boonton, New Jersey, by Cynthia A. Oravits, for the Town.

BY THE BOARD¹:

On August 12, 1977, the Board granted Telecommunications, Inc. a Certificate of Approval in Docket No. 765C-6173 for the construction, operation and maintenance of a cable television system for the Town of Boonton ("Town"). On July 7, 1977, the Board approved the transfer of the Certificate of Approval from Telecommunications to Sammons Communication of New Jersey, Inc. ("Sammons"), in Docket No. 775C-6278. On March 12, 1993, the Board issued a Renewal Certificate of Approval for the Town to Sammons, in Docket No. CE92060671. On February 28, 1996, in Docket No. CM95080400, the Board approved the transfer of the Certificate of Approval from Sammons to TKR Cable Company ("TKR"). On December 17, 1997, in Docket No. CF97090674, the Board approved the transfer of the Certificate of Approval for the Town from TKR to CSC TKR, Inc. d/b/a Cablevision of Morris ("Petitioner"). Although the Petitioner's above referenced Certificate expired on August 12, 2002, it is authorized to continue to provide cable television service to the Town pursuant to N.J.S.A. 48:5A-25, pending disposition of proceedings regarding the renewal of its Certificate of Approval.

¹ Commissioner Carol J. Murphy did not participate in the deliberations or vote on this matter.

The Petitioner filed an application for the renewal of its municipal consent with the Town on December 5, 2001, pursuant to N.J.S.A. 48:5A-23 and N.J.A.C. 14:18-13. The Town, after public hearing, adopted a municipal ordinance granting renewal consent on June 4, 2002. On June 25, 2002, the Petitioner formally accepted the terms and conditions of the ordinance, in accordance with N.J.S.A. 48:5A-24.

On July 26, 2002, pursuant to N.J.S.A. 48:5A-16, the Petitioner filed with the Board for a renewal of its Certificate of Approval for the Town. The Board has reviewed the application for municipal consent, the petition for a Renewal Certificate of Approval and the municipal consent ordinance. Based upon this review and the recommendation of the Office of Cable Television, the Board HEREBY FINDS the following:

1. The Petitioner possesses the requisite legal, character, financial and technical qualifications for the awarding of a Renewal Certificate of Approval. Further, the Town reviewed these qualifications in conjunction with the municipal consent process. See N.J.S.A. 48:5A-22 to 29 and N.J.A.C. 14:18-13.1 et seq.
2. The design and technical specifications of the system shall ensure that the Petitioner provides safe, adequate and proper service.
3. The Petitioner has represented that all previously required construction within the franchise territory is complete.
4. The franchise period as stated in the ordinance is ten years from the date of issuance of this Certificate. The Board finds this period to be of reasonable duration.
5. The Petitioner's rates shall be regulated and tariffs shall be filed for all services, in accordance with the rules and regulations of the Federal Communications Commission, the Board and the Office of Cable Television. The Petitioner shall maintain informational tariffs for unregulated service rates and promptly file any revisions thereto.
6. Pursuant to N.J.S.A. 48:5A-26(a), the ordinance specifies a complaint officer to receive and act upon complaints filed by subscribers in the Town. In this case, it is the Office of Cable Television. All complaints shall be received and processed in accordance with N.J.A.C. 14:17-6.5.
7. The Petitioner shall maintain a local business office or agent for the purpose of receiving, investigating and resolving complaints. The current local office is located at The WIZ, Roxbury Mall, 275-110 Route 10, in Succasunna (Roxbury Township), New Jersey.
8. The franchise fee to be paid to the Town is specified to be 2% of the Petitioner's gross revenues from all recurring charges in the nature of subscription fees paid by subscribers for its cable television reception service in the Town. Additional regulatory fees shall be paid to the State in an amount not to exceed 2% of Petitioner's gross operating revenues derived from intrastate operations. The Board finds these fees to be reasonable.

9. The Petitioner shall utilize the line extension policy attached to this Certificate as Appendix "I" with a homes per mile figure of 25.
10. The Petitioner shall provide public, educational and governmental ("PEG") access channels and facilities in accordance with its renewal application and the ordinance. Specifically, the Petitioner maintains one channel for community and governmental access programming, which is shared with its local origination channel and bulletin board, and one channel for educational access programming.
11. The Petitioner maintains a studio at its Randolph offices, which is available for PEG access usage. The Petitioner provides training workshops to instruct interested community members in the aspects of working the studio. The Petitioner's staff assists various community groups by producing programs and/or public service announcements.
12. Upon request of the Town, the Petitioner shall provide the standard installation and monthly basic service, free of charge, to the following locations in the Town: all state accredited public schools and municipal libraries as well as to all municipal buildings used for governmental purposes.
13. Upon written request of the Town, the Petitioner shall provide, free of charge, one high-speed cable modem and monthly Internet access service, including standard installation, to one municipal location in the Town. The Town shall be permitted to network up to three additional personal computer terminals in the designated building at its own cost.
14. Upon 30 days' written notice by the Town, the Petitioner shall make available a representative for a biannual meeting with the Town for the purpose of reviewing the Petitioner's performance. The Petitioner shall respond to reasonable requests for information made by the Town.
15. The Petitioner shall continue to provide a 10% discount for senior citizens and disabled persons, who meet the income and residency requirements of the Pharmaceutical Assistance to the Aged and Disabled ("PAAD") program.

Based upon these findings, the Board HEREBY CONCLUDES, pursuant to N.J.S.A. 48:5A-17(a) and 28(c), the Petitioner has the municipal consent necessary to support the petition, that such consent and issuance thereof are in conformity with the requirements of N.J.S.A. 48:5A-1 et seq., that the Petitioner has complied or is ready, willing and able to comply with all applicable rules and regulations imposed by or pursuant to State or federal law as preconditions for engaging in the proposed cable television operations, that the Petitioner has sufficient financial and technical capacity, meets the legal, character and other qualifications necessary to construct, maintain and operate the necessary installations, lines and equipment, and is capable of providing the proposed service in a safe, adequate and proper manner.

Therefore, the Petitioner is HEREBY ISSUED this Renewal Certificate of Approval as evidence of Petitioner's authority to construct and operate a cable television system within the entirety of the Town.

This Renewal Certificate is subject to all applicable State and federal laws, the rules and regulations of the Office of Cable Television, and any such lawful terms, conditions and limitations as currently exist or may hereafter be attached to the exercise of the privileges granted herein. The Petitioner shall adhere to the standards set forth by the Federal Communications Commission's rules and regulations, 47 C.F.R. §76.1 et seq., including but not limited to, the technical standards 47 C.F.R. §76.601 through §76.630. Any modifications to the provisions thereof shall be incorporated into this Certificate.

Failure to comply with all applicable laws, rules, regulations and orders of the Board or Office of Cable Television and/or the terms, conditions and limitations set forth herein may constitute sufficient grounds for the suspension or revocation of this Certificate.

This Renewal Certificate is issued on the representation that the statements contained in the Petitioner's applications are true, and the undertakings therein contained shall be adhered to and enforceable unless specific waiver is granted by the Office of Cable Television pursuant to the authority contained in N.J.S.A. 48:5A-1 et seq.

This Certificate shall expire ten years from the date of its issuance.
